### Reflection on Today's Gospel-

The tension in this familiar Gospel is one that exists within every community—perhaps within each person. Mary and Martha both eagerly welcome Jesus to their home. But while Martha bustles around getting things done—no doubt preparing a special meal for this honored guest—Mary simply sits at his feet and listens. To Martha's surprise, Jesus tells her that Mary has made the better choice. Perhaps the long days of summer are a good time to step away from our constant busy-ness and to do a little quiet reflecting at the Lord's feet. Take time for adoration in the chapel.

Rosary with multi-color beads (each decade has a different color bead). The Rosary was my daughter's, who was killed in a car accident. It would mean so much to me to get it back. If you found the Rosary, please turn it in to the church office. Thank you and may God bless you for returning it.
